

## Bertram is never satisfied.

To the famous 29' Mispie, we added a twin-bank cockpit, cabin with opposed storage heads and a pedestal-type helm-station seat. Result: the new BERTRAM BAYLA MAR 29. All the customary Bertram quality features are there, too.

Beach land? Bertram's New Baby Mar 29. The Bertram Bertram had and built — complete with overhead structural supports, galleys, and working head — with a portable live tank.

Of course, forward hatch, fiberglass fuel tank, complete fiberglass floor, foam flotation. It's "the boating man's boat" — the six-stretch runabout, perfect for fishing and skiing — now with new overnight cruising comfort. See it soon at your

Bertram dealer. (Write us for his name.)

Length: 29'0" • Beam: 7'11/2" • Cockpit area: 50 sq ft. (Shadroom under canopy): 87' • Maximum speed: 37 mph. Cruising range: 150 miles.
