

Bertram 25' Sport Convertible

Bertram 25' Bahia Mar

Bertram 25' Hardtop

Bertram 25' Sport Fisherman

Bertram 25' Express Cruiser

Anytime you're ready for the best that boating offers...  
you're ready for Bertram.

It doesn't matter whether you're a new hand or an old salt. Whether you want a boat for cruising or for fishing. You'll find a Bertram that fits your needs. The qualities that made Bertrams the big winners in ocean racing will make your kind of boating more pleasurable. The ride, for instance. Always smooth, soft, dry. Or the handling. Easy, safe, sure. As for upkeep, it's almost non-existent. And the remarkable

high-impact fiberglass construction makes possible the unique Bertram 3-year hull guarantee. See the complete line of Bertram twenty-fives including sport convertibles, hardtops, express cruisers and Bahia Mares, with your choice of power options, from 120 h.p. to 160 h.p. MerCruisers or 60 h.p. Rover Diesel.

Get the facts from the man who knows Bertram best; your dealer. If you'd like his name, write:

2665 N.W. 21st Street • Miami, Florida 33142

A flying bridge  
and an extra large cockpit  
make it a sports fisherman.

Interior comfort makes  
it a family cruiser.

Performance makes it a Bertram.

New features have produced the most versatile sports fisherman ever to come off Bertram lines. For example, we've added an optional dinette that quickly converts

to an extra two berths. And there's a new optional galley, plus a surprising amount of additional storage space. These and only give you an exceptionally well-

equipped sports fisherman, but a day-cruiser as well... with plenty of room for four to live and sleep aboard comfortably. Yet you'll find all the features that make her a great fishing boat: The man-sized flying bridge with full dual controls. The spacious 105 square foot open cockpit (all 17000 from which you can battle tackle-buffers if you're lucky enough). And the powerful pair of MerCruisers (twin 120 h.p.'s, 150 h.p.'s or 180 h.p.'s) to take you where the fishing's hot and let you troll all day. But most important, the 25' Sports Fisherman is every inch a Bertram, from deep V hull to high-impact fiberglass construction. If that sounds like your kind of boat, then see your Bertram dealer. He'll show you how right you are.
