

WHEN YOU GO BERTRAM...YOU'VE ARRIVED

Discover Bertram's spirited new 20-footer—The Baron. That's a promise of action in the Baron's truly exciting. From the racing stripes on the sleek foredeck to the sleek bow and the rakish lines of the windshield, the Baron delivers the action that is going on around you.

...the kind of go you want in a 20-foot sports runabout or a weekend hauler. The Baron treats you to plenty with lots of cockpit room. Comfortably padded bucket seats for fishermen and companion and an 8-hp outboard that is uniquely finished in hull and painted vinyl upholstery. All this in a rugged fiberglass hull with the famous Bertram Deep-V design, which provides variable maneuverability and full stability to track easily through high-speed waves. A lot of boat for the price. That's Bertram all over. See your Bertram dealer.
