# Why You Should Buy A Yacht

Bertram doesn't understand people who buy a motor yacht and then just sit on it. Nor those who buy one that wants to run for cover in anything but comfy seas.

We think you should be able to enjoy a motor yacht as much as you would a sportfisherman. To cruise comfortably as often as you can. To go fast when you want to. To take kindly to heavy seas when you have to.

So Bertram builds motor yacht hulls identical to our very soft-riding, swift, dry, agile, globally renowned deep-V sportfisherman. In three lengths. 42', 46' and 58'.

Each has all the spaciousness and amenities you would expect of a luxury yacht. Usually more. But they have a racier personality, a verve, an excitement about them that makes other yachts look a little bland. And they're built boondocks tough to match their elan.

To find a yacht with the spirit of a great sportfisherman, and see why "the sun never sets on the Bertram Empire," just visit your nearby Bertram dealer. Or write Bertram Yacht, 3653 NW 21st Street, Miami, Florida 33142. Williams
