- Engine/Fuel Type: Twin Gas
- YW# 55009-1364727

During the relatively short period of collaboration between US designers of Bertram shipyard in Florida and the famous Italian shipyard Riva, over 200 of these motor yachts were built. It is immediately evident on inspection why they should have been so successful. They combine superb Riva finish and innovative but sound engineering, which way the hallmark of Riva's built in the 1970's and 1980's. No other boat of this size combines wheelhouse and fly bridge, sleeping cabin and large cockpit with such success.

Don't miss the opportunity of being the next happy owner of this mythic yacht....

This model has been reengined in 2001 and has always been professionally maintained  
Dramatic price reduction in Oct. 2005... Owner drop the price from 47 500 € to 36 500 for a quick sale....DON'T HESITATE !!!!!
